WHY 3 TUITION FEES?

Frost Valley serves families with different abilities to pay.

Tuition A reflects the true cost of camp.

Tuitions B & C have been created to help families that require some financial assistance to send their child to summer camp.

In the event that you cannot afford Tuition A, B, or C, please contact us about our financial assistance program. We believe every child should have a camp experience. Regardless of the tuition paid there is no difference in the camp experience for your child!
