## Women's Wellness Weekend *March 26-28, 2021*

Currently, registration for Women's Wellness Weekend is not yet open. However, we fully intend to host the event assuming the authorities permit us to. That being said, we do expect to make changes to programs, meals and capacity limits to ensure COVID-19 mitigation. So we are currently asking interested individuals to fill out this form to ensure that you will be the first to register once we have our plan. By filling out this form, you'll be added to a list and given the option to register before the rest of the public!
