Frost Valley has an indoor and an outdoor chapel. Each space has a unique charm and can suit a variety of occasions.

- **KETCHAM CHAPEL** This beautiful and serene building overlooks our Reflection Pond, and Wildcat Mountain on our main campus. Tucked into the tall pines, it provides an excellent space for reflection, celebration and worship. All are welcome in this space. It comfortably seats 80 people in wooden pews, and has an electric organ for musical accompaniment. The acoustics in this building are beautiful, and while not necessary, audio support with speakers and a microphone can easily be set up.
- **THE OUTDOOR CHAPEL** Located in a serene clearing in the woods on our main campus with amphitheater style, 32 wooden benches and a stone podium as the vocal point, this is a great venue to host a number of different events.
