Conveniently located steps away from Lakeview Lodge, our hotel-style accommodation. Each of the following rooms either have screens and projectors, or we can provide them upon request.

- **BOARD ROOM**: seats 12 comfortably around a large table but with reconfiguration can accommodate up to 20 people, and has the ability to hold conference calls.
- **2 SMALL CLASSROOMS:** These rooms seat 20-35 people in chairs at tables. The setup of these rooms is traditionally classroom style, but the tables and chairs can be removed or reconfigured to meet your needs.
- **1 LARGE BREAKOUT ROOM**: seats 45 people comfortably at tables, in traditional classroom style. The chairs and tables can be rearranged to meet your individual needs.
- **2 LARGE MEETING HALLS WITH FIREPLACES:** each comfortably seats 120-150 people, and are often used for Keynote speakers, as a separate/private dining room and as social areas for dancing and entertainment.
- **1 LARGE RECREATIONAL ROOM:** often used for indoor hockey, this room has a more industrial feel. it can be set up to accommodate small groups of 30-100 in a meeting, yet it has typically been used as a vendor hall or as a recreational/social area.
