CLARYVILLE — Frost Valley YMCA will again host a Wilderness First Responder Certification Course through Wilderness Medical Associates. This extensive five-day course will be held at Frost Valley's East Valley Ranch from April 15-19, 2019. The registration fee includes the course, as well as five nights of lodging and meals.

The Wilderness First Responder program is the ideal emergency medical training for leaders in remote areas. Outdoor educators, wilderness guides, members of the military, professional search and rescue teams, field researchers, and individuals involved in disaster relief will gain valuable skills from this comprehensive and practical curriculum.

The course includes the essential principles and skills required to assess and manage medical problems in isolated and extreme environments for days and weeks if necessary. This is the most current and cutting edge course of any first response medical training in the world!

Registration for the Wilderness First Responder Certification Course is currently open, but space is limited so anyone interested in attending should register right away. For more information or to register, please call 845-985-2291 ext. 240 or email egorman@frostvalley.org.
