### **\*You MUST bring a warm top and bottom layer.**

Adventure Program participants sleep in tents and it does get colder at night in the mountains. Warm layers will be essential to campers enjoying their time in the program.

### **\*\*PLEASE BREAK SHOES IN BEFORE CAMP TO PREVENT BLISTERS\*\***

Proper clothing and equipment are essential to prevent safety issues such as sprained ankles, sunburn, hypothermia, and blisters. Campers must have the essential gear listed in order to safely participate on this trip. The trip will run rain or shine, so having non-cotton, quick drying clothing that retains heat even when wet is important. **Please leave personal electronics, such as iPods, computers, smart watches, and cell phones at home.**

If you have any questions or difficulty finding the appropriate equipment, please do not hesitate to contact us. From the moment you think about a summer experience with us to long after your amazing camping experience is complete, Frost Valley Adventures is a partner to be called upon for any question or concern, big or small. You can reach us at the Adventure office at contact information below.
